## Project

### Marathwada Water Tank Cleaning (MWTC)

Marathwada Water Tank Cleaning (MWTC) provides safe, reliable, and eco-friendly water tank cleaning across Marathwada. With trained staff and modern methods, we ensure clean storage and healthy water for every need. The MWTC website is a full stack web application developed to provide an online platform for showcasing services and managing customer bookings. It integrates frontend technologies (React.js and Tailwind CSS) to ensure interactivity and reliability
